Headline:
Cloudy and mild.

This Evening and Tonight:
Breezy and largely cloudy overnight. This cloud becoming thicker in the early hours of Monday, bringing some spells of drizzle around dawn. Feeling mild for most areas, particularly in the south and east. Minimum temperature 7 deg C (45 deg F).

Monday:
A rather damp and dull day with relatively persistent drizzle and rain from mid-morning onward, this turning heavier into the evening. Staying very mild with a gentle breeze. Maximum temperature 12 deg C (54 deg F).

Outlook for Tuesday to Thursday:
Mild and largely cloudy throughout the week. Generally dry but the cloud thick enough to produce some patchy drizzle. Risk of morning fog developing under any cloud breaks.
